Member Agreement:

Members agree to pick up weekly produce at the agreed upon place and time. If produce is not picked up and prior arrangements have not been made, that week’s share will be forfeit and dispersed or donated to those in need.

Prior arrangement should be made for vacation dates in order for Peacefield Farm to try and accommodate requests. We reserve the right, based on availability, to determine the possibility of make-up dates, or you may donate your share for that week to a friend or to be dispersed among members.

As a member of the Peacefield Farm CSA you will receive a weekly share of vegetables. It is understood that the variety of produce you receive depends on growing conditions that vary from season to season and that the risks and benefits of the harvest are shared.

By participating in this CSA, you are supporting local growers as well as a healthier society.

Peacefield Farm CSA Agrees to:

Peacefield Farm agrees to provide weekly for approximately eighteen weeks a variety of fresh-picked, seasonally-available produce. Variety and quantity of each kind of produce is at the discretion of Peacefield based on harvest availability, which includes certain risks of drought and predation that Peacefield will do our best to minimize or mitigate.

We pledge our best effort to ensure crop success using sustainable methods, to limit membership to manageable numbers ensuring quantity and quality for all members, to maintain open communication with our members, and to continue learning and growing in sustainable agriculture and in partnership with our member community.
